VERKOPER OPMERKINGS: Scrotum 41cm. I've used this bull in the stud last breeding season and have now retained semen for my own use. I like his exceptional length of body along with the width on his inner and outer thigh.

SELLER REMARKS: Scrotum 41cm. A well balanced and correct bull. I used his sire DJW 18 53 extensively, before he was sold on our sale for R210,000. His dam line goes back to DJW99 44 who was Interbreed and National Senior Champion in Vryburg. She was also flushed for embryos for Brazil.
