Subject: error list

Hi Twane

Attachment 20240501. 0006 makes reference to ET calves.

Attachment 20240605. 0001 is an 'error list' that you can update.
Then we'll have less cows to deal with over the phone.

Attachment 20240501. 0001 has the birth notification of MX20 0032, daughter of CM06 0001.

Thanks
Cliffie
