1 Introduction

1.1 Definitions

1.1.1 Registered Boran means a Boran that has been entered and accepted onto the RCBBS herd database (Logal). A Boran will be accepted into the calf book section (SPNo CLB) on receipt of the calf birth notification. A Boran will be promoted to Studbook Paper (SPNo RCB) on passing inspection. A Boran that has been or is notified but registration is pending resolution of an outstanding issue is not a registered Boran in terms of these sale rules. Examples could include the following: Percentage not verified (PNV); Parents not inspected (PNI); MS (Birth Site requiring verification); Sex requiring verification (SES) and Exam requiring verification (REX).

1.1.2 Inspection is a visual appraisal of a Boran by RCBBS approved inspectors to ensure compliance with the society's standards of excellence. A Boran must pass inspection to be promoted to the Studbook Paper (SPNo RCB) section of the society's herd database when it is culled/finishing. A Boran that fails inspection will be deregistered and removed from the herd database.

1.1.3 Sourcing at sales is an application of a Boran for functional purposes and consistent with Society norms and minimum breed standards. In the case of Boran, still registered in the calf book section of the herd book, screening does not qualify as an inspection.

1.1.4 A Dispersal Sale will be held by a Breeder who is permanently discontinuing the business of breeding and farming with registered Boran, and consequently needs to sell all his registered animals to achieve degeneration as an active breeder with the Society. This sale will be deemed to be a Dispersal Sale and hence trigger breeder registration if:

- 1.1.4.1 the breeder uses the word dispersal at or semi at words or phrases in their advertising and/or marketing of the sale
- 1.1.4.2 the member informs the society it is a dispersal sale

1.2 Members of the Society are encouraged to vet registered Borans under the auspices of the Society. They will ensure that:

- 1.2.1 the Boran comply with the Society's minimum standards of purity and functionality by verifying the pedigree and performance data;
- 1.2.2 the Boran is of a consistent quality and high standard by screening each animal on its;
- 1.2.3 your clients are motivated in that all animals on offer meet the breed standard;
- 1.2.6 your clients have a reliable method of addressing possible queries and complaints;
- 1.2.5 the breed develops a consistently reputation in the beef industry which builds buyer confidence and assurance of mind;
- 1.2.6 the society can support you in the event of queries; dispute resolution, marketing and publicity;
- 1.2.7 the breeds in popularity at a fair priced is offered to both buyers and sellers and thereby enables the crops of the buyer market, ensuring the sustainability of our breed;
- 1.3 The Society will approve any provision sale of registered Boran cattle provided that:
 - 1.3.1 Prior to the announcement of such sale, the seller must contact the Society with the details of the sale;
 - 1.3.2 Both the Seller and the Society will sign a written agreement;
 - 1.3.3 The Seller adheres to the requirements detailed further in this document;
 - 1.3.4 Should the requirements detailed not be met, the Society will be entitled to:
 - 1.3.4.1 disregard the requirements;
 - 1.3.4.2 withdraw permission that the sale be promoted under the auspices of the Society;
 - 1.3.4.3 if warranted, suspend the membership of the relevant member;

2 Application to hold a sale under the auspices of the Boran Society

- 2.1 All seller's accounts may not be outstanding with the Society for more than 60 days;
- 2.2 The Society and the approved organizer will handle all communication pertaining to the sale. The organizer will be responsible for the communication with other sellers involved with the sale

2.3 On approval of the application the Society office will furnish the organizer with the official entry forms, which must be completed and returned to the office at least 2 (two) months prior to the date of the relevant sale;

2.4 Each seller and the Society will sign a written agreement containing the conditions that will apply to the sale;

2.5 It is the responsibility of the seller to provide all fertility, pregnancy and health certificates prior to the sale and deliver the originals to the auctioneer before the evening sale and time;

2.6 It is recommended that sales in the same area should not be conducted within one week of each other. In province will be regarded as the public unless the organizers of both sales agree to such an arrangement;

2.7 Only one auction under the auspices of the society can be held on any one day;

2.8 No other sale may be held (less 30 weeks prior to the National sale);

2.9 Existing sales history will be taken into consideration when sale dates are allocated by the Society. If an auction with history is booked for two years or a row and the auction does not take place in those two years, the seller forfeits the date and the sale can be allocated to another seller. If a date is booked and the date change or the auction is cancelled, a fee of R1000 will be charged. If there is a valid reason for the change of the date or the cancellation of the auction, the minimum must be submitted to the society for exemption;

2.10 A document detailing the rules and duties of the auctioneers will be submitted to the relevant auctioneers for their signature. The Society reserves the right not to approve an application for a sale to be promoted under the auspices of the Society should it emerge that the auctioneering firm is in dispute with the Society;

2.11 Council and staff members of the Society, in their personal capacity, are interdicted against any claims lodged by either buyers or sellers arising from the sale of animals at such a sale;

- 5.9 A breeder of a Bosapi born bulls and females that fail screening shall have either of the following two options

5.9.1 See the Moran that has been screened off as a commercial animal at a commercial animal sale held not under the auspices of the Society that takes place on the same day. The Bullfinch will be dispensed of these its SPNs. RES status and will lose the right to retransmission.

5.9.2 Remove the Moran screened off immediately from the sale Bullfinch sales. This Moran will retain its SPN. REG status on condition that the Moran is immediately returned to its farm of origin.

5.10 If either the cow or the calf fails screening, then the entire lot will be deemed to have failed the screening and will apply Lot A and B, where the calf (Lot B) is between 9 and 15 months old and still a calf bull will be considered as one lot.

5.11 No other type of inspection may be carried out during sale screening.

5.12 At least one of the inspectors, involved in the screening, or another official appointed by the Society, will be available on the day of the sale to provide a marketing presence for the seller and the Society to act as an advisory capacity to buyers and to ensure that the auction is conducted in compliance with the above rules.

5.13 After the auction within three days after the sale, the inspector must send the signed screening list to the office for record keeping and updates.

6 Duties of the auctioneer

6.1 The auctioneer must complete in full the applicable Society form and return it to the Society office fully signed.

6.2 As the sale will be presented under the auspices of the Society, the sale participant will be subject to all other advertising rules must be submitted to the Society for approval prior to publication. The official approved Society logo must appear on all advertising as well as the words "sold under the auspices of the Moran Cattle Breeder's Society of SA".

6.3 The rules pertaining to sales presented under the auspices of the Society, together with other information supplied by the Society, must be available in the front of the sale catalogue.

6.4 Only animals on the catalogue may be sold.

6.5 No animals will be allowed to be off loaded at the sale venue; if the required veterinary certificates are not presented to the auctioneer or his official responsible for offloading.

6.6 The auctioneer will provide one (1) person to assist the inspectors with the weighing of sale animals.

6.7 The vendor/inspector is responsible for submitting the signed screening report to the Society within two (2) weeks of the sale.

6.8 The auctioneer is responsible for collecting the health, fertility and pregnancy certificates for each animal on the sale. The auctioneer is responsible for distributing these certificates to the farmers after the sale.

6.9 The membership numbers of buyers that are registered Moran farmers must be obtained and included with the detail of animals purchased by such buyers in the vendor table.

6.10 Before a participant enters a sale under the auspices of the Society:

6.10.1 the Auctioneer will explain the meaning thereof.

6.10.2 the Auctioneer will explain the meaning of S.I. above.

6.10.3 will advise the buyers that the rules of the auction are included in the catalogue.

6.10.4 and will advise buyers that they have 90 days from the date of sale to address any issues of concern with the seller that require resolution.

6.11 The consumer Auctioneer is responsible for ensuring that between the organization and the seller, adequate public liability insurance cover is in place for the auction.

7 Dispersal Sales

7.1 All the requirements for sales under the auspices are applicable to dispersal sales, as well as the following:

7.1.1 If a breeder wishes to sell the dispersal sale as two parts, he may request in writing that Council extend his membership for the agreed upon period.

7.1.2 In such an eventuality understood that the arrangement of further sales under the auspices of the society, subsequent to the sale, as contained in the agreement with the Society, will not be permitted.

7.1.3 One year after the dispersal sale, the breeder's active membership of the Society and membership of SA Studbook will be cancelled and all animals sold will be transferred to a member number. Such person may remain as a reserve/sale member. After a period of five (5) years he may reapply for active membership of the Society and SA Studbook.

7.1.4 All Bovan registered with the Society on the date of application in the name of the relevant breeder, company, trust, or casual commission, partnership, or other funds in which he has an interest, must be presented at the dispersal sale.

7.1.5 Bovan animals sold on independent agency or as a breeder's interest in a registered company to the seller's which is a family member or any organization (e.g. Company trust, closed corporation, partnership or trust) must be sold in which he has an interest.

7.1.6 A breeder may sell as a Non-Dispensation Mark at the dispersal sale. This will be indicated on completion of the required SA Studbook section form.

7.1.7 The Society and SA Studbook membership of a breeder for all the remaining sales who have successfully applied for the presentation of a total dispersal sale under the auspices of the Society will be extended to the end of the financial year within which the final sale takes place. And the full membership fee in respect of that period will be payable by the member/breeder. Therefore the membership fee in all cases will be terminated or converted to the minimum number lot if the seller's so wish. Under either of the above-mentioned conditions, the seller's concerned may only supply his legitimate breeding membership upon the lapse of five (5) years.

8 Commissions and Fees

8.1 The Society will receive a commission, charged from time to time by Council, in respect of all sales held under the auspices of the Society. This will be calculated as a percentage of the total turnover of the sale. The commission will be collected from the seller and paid within 14 days to the Society. The commission will be calculated on the basis of the selling price and not the buying price.

8.2 Sellers who privately sell animals after the sale will be liable for the total commission set out in the sale agreement, a those animals were entered for the sale and went through the ring.

8.3 Should a lot be unsold or sold during an auction under the auspices of the Society regardless of who the buyer is, a commission of 1% will be charged.

8.4 Commission will be applicable on sales are made on sales.

9 Buyers

9.1 Should a problem arise with an animal that a buyer has purchased on the sale, the buyer has 90 days from the sale date to raise the issue with the seller and/or Council.

10 Sellers

10.1 Sellers are encouraged to DNA all Bovan on offer to verify the stated percentage and avoid possible paring disputes after the sale.

10.2 Sellers are required to take the necessary remedial action in the event that the percentage of unknown calves of females sold under the auspices is not as stated in the catalogue when the sale is held after the sale. The onus is on the seller to reach an amicable solution with the buyer. Failing which the seller will refund the buyer and the buyer will return the Bovan cow and calf to the seller.
