Good day Nina

How are you?

I need you to change the sex of an animal from database 0598646BON. The animal SAN110195 is female, and it appears as male.

Also, I was checking the Herd Reports and I notice that there is an animal in the Herd Report of BIOGEN ARGENTINA (0638166BON) that is not his. The bull ETR180002 is from database 0683320BON it shouldn't be in the Herd Report of BIOGEN.

I saw lots of animals that were informed as cancel and they appear in the Herd Report. Why?

Thanks a lot for your help

Kind Regards
