Subject: Correction of animals' recorded details

Good day,

Two of my animals birth details were recorded incorrectly, the following animals were recorded as Female whilst in actual fact they are Male and should have been recorded as such:

OMBU 20-0005

OMBU 20-0020

All other details relating to the animals are correct. Can you kindly correct these animals sex from Female to Male?

RE: Correction of animals' recorded details

Thanking you in anticipation,

Best regards
