To: Daleenb <daleenb@studbook.co.za>

Good Morning Daleen,

As we are checking each goat this time , I am still sending certificates to respective breeder one by one.

In case of **9123 230001** from last lot , some data was missing the the excel.

Date of Birth is : 16 Dec 23

Birth status : 1 (Single)

Birth Weight : 4.5kg

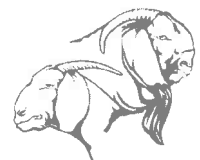

All the remaining data is same as given

9102	22	001	94018058	1298	21	0508	93337301	9123
------	----	-----	----------	------	----	------	----------	------

Please record the doe. Its already checked.

Do share certificate.
Thanking you.

Kind Regards,
