Subject: World Wide Sires Jersey Bulls - Wait for Tessa
Attachments: WWS_Jerseys_September_2024.xlsx

Greetings Wilanna

Please find the attached pedigree spreadsheet for the 11 bulls that World Wide Sires has sent me last week.

A few are relatively easy to add, while a few have deep pedigrees that need to be built.

Lots and lots of proven sires linked to them through the dam lines.

After speaking to Tessa from the Jersey Society, she indicated that she will send the list soon, so hold onto this spreadsheet until you get it and then it will be more detailed than the standard 3 or 5 gen ped she will send.

Look out for the next one with Jerseys and Holsteins from ABS.

Warm Regards

Jason Reding

Geneticist
