Goeiemore

Hoop dit gaan goed. Ek het die NFR diere gelaai, dankie vir die inligting. Aangeheg is 'n opsomming van die koeie se nageslag, per kapita en oorblywende foute lys.
 Laat weet gerus as daar nog iets is waarmee ek kan help.

Grant het nou laat weet jy kan die kalf 'n NFR kalf maak☺

PNP15-81 - sy het 'n embrio kalf gedra en gekalf op 26/08/2018.
(sal net bevestig of kalf nog lewe en of ons NFR kalf moet laai).
