1 Introduction

1.1 Definitions

- 1.1.1 Registered Boran means a Boran that has been entered and accepted onto the RCB's herd database (HDB). A Boran will be accepted into the cell book section (SP/No. C1B) on receipt of the calf birth notification. A Boran will be promoted to Studbook Proper (SP/No. R1C) on passing inspection. A Boran that has been birth inspected but requires further inspection of an outstanding issue is not a registered Boran in terms of these sale rules. Examples could include the following: Funtage not verified (FNV), Funtage not inspected (FNI), MS (Milk) not acquired (MNA), or requiring verification (VES), and then requiring verification (VED).
- 1.1.2 Inspection is a visual appraisal of a Boran by RCB's approved inspectors to ensure compliance with the society's standards of excellence. A Boran must pass inspection to be promoted to the Studbook Proper (SP/No. R1C) section of the society's herd database within the stipulated timeline. A Boran that fails inspection will be downgraded and removed from the herd database.
- 1.1.3 Screening at sales is an appraisal of a Boran for functional traits that compliance with Society norms and minimum breed standards. In the case of a Boran not registered in the cell book section of the herd book, screening does not qualify as an inspection.
- 1.1.4 A Dispersal Sale will be held by a Breeder who is permanently downgrading the business of breeding and raising with registered Boran, and consequently needs to sell all his registered animals to facilitate degeneration as an active breeder with the society. This sale will be deemed to be a dispersal sale and hence trigger breeder degeneration.
- 1.1.4.1 the breeder uses the word 'dispersed' or similar words in phrases in their advertising and/or marketing at the sale.
- 1.1.4.2 the member informs the society it is a dispersal sale.

- 1.2 Members of the Society are encouraged to sell registered Borans under the auspices of the Society. This will ensure that:

- 1.2.1 the Boran comply with the Society's minimum standards of purity and functionality by verifying the pedigree and performance data.
- 1.2.2 the Boran is of a consistent quality and high standard by screening each animal on all 11.
- 1.2.3 your clients are protected in their all animals are other meet the breed standard.
- 1.2.4 your clients have a reliable method of addressing possible queries and complaints.
- 1.2.5 the breed develops a trustworthy reputation in the beef industry which builds buyer confidence and peace of mind.
- 1.2.6 the society can support you in the event of queries, disputes, resolution, marketing and publicity.
- 1.2.7 the benefit of 'quality at a fair price' is offered to both buyers and sellers and thereby builds the trust of the buyer market, ensuring the sustainability of our breed.
- 1.3 The Society will approve any application sale of registered Boran cattle provided that:
 - 1.3.1 Prior to the announcement of such sale, the seller must consult the Society with the details of the sale.
 - 1.3.2 Both the seller and the Society will sign a written agreement.
 - 1.3.3 The Seller adheres to the requirements detailed further in this document.
 - 1.3.4 Should the requirements (seller not meet), the Society will be entitled to:
 - 1.3.4.1 disregard the requirements
 - 1.3.4.2 withdraw permission that the sale be presented under the auspices of the Society
 - 1.3.4.3 if warranted, suspend the membership of the relevant member

2 Application to hold a sale under the auspices of the Boran Society

- 2.1 All sellers' accounts may not be withdrawing with the Society for more than 60 days.
- 2.2 The Society and the appointed agent will handle all communication pertaining to the sale. The organizer will be responsible for the 'continuous' work with other sellers involved with the sale.

2.3 On approval of the application the Society officer will furnish the organizer with the official entry forms, which must be completed and returned to the office at least 7 (seven) months prior to the date of the relevant sale.

- 2.4 Each seller and the Society will sign a written agreement reinforcing the conditions that will apply to the sale.
- 2.5 It is the responsibility of the seller to provide, at fertility, pregnancy, and health certificates prior to the sale and deliver the originals to the auctioneers before the screening date and time.
- 2.6 It is a requirement that all sales in the same area should not be presented within one week of each other (a province will be required as the guide) unless the organizers of both sales agree to such an arrangement.

- 2.7 Only one auction under the auspices of the society can be held on any one day.
- 2.8 No other sale may be held three (3) weeks prior to the relevant sale.

- 2.9 Existing sales history will be taken into consideration when sale dates are allocated by the Society. An auction with history is booked for two years in a row and the auction does not take place in those two years the seller lets the date and the date can not be allocated to another seller. If a date is booked and the date change of the auction is sure effect, a fee of R1000 will be charged. If there is a valid reason for the change, at the date of the cancellation of the auction, the notification must be submitted to the council for acceptance.

- 2.10 A document containing the rules and duties of the auctioneers will be submitted to the relevant auctioneers for their signature. The Society reserves the right not to approve an application for a sale to be presented under the auspices of the Society should it emerge that the auctioneering firm is in dispute with the Society.

- 2.11 Council and staff members of the Society in their personal capacity are indemnified against any claims lodged by other buyers or sellers arising from the sale of animals at such a sale.

3 Requirements for animals, embryos, and semen on offer

3.1 Society and Legislative Requirements

- 3.1.1 All Boran on offer must be registered with the Boran Cattle Breeders' Society. The birth notification of calves born up to the day of sale must be submitted to the Society by the seller. Calves born on sale day will be registered by the new owner.
- 3.1.2 Animals not conforming to the minimum breed standards of the Society may not be sold at a sale offered under the auspices of the Society.
- 3.1.3 The pregnancy status of cows on offer must be such that they calve according to the minimum reproduction standards specified in the Byelaws of the Society.
- 3.1.4 No female may be offered that is known to be mated to any bull other than a registered Boran bull.
- 3.1.5 Embryos offered for sale, collected, marked in a kit, or frozen to a sale of a lot must be:
 - 3.1.5.1 frozen from Boran cows registered with the Society
 - 3.1.5.2 accompanied by a signed CV (life) containing parentage details, the grade of the embryo and confirmation that the embryo was collected by a registered embryologist at a registered quarantine station.
- 3.1.6 All females older than 18 months on the date of the sale must be certified in calf by a registered veterinarian.
- 3.1.7 A cow may be sold with her calf at foot provided that the calf is not older than nine months of age at the date of sale.
- 3.1.8 If the calf is younger than nine months, then the cow does not have to be confirmed in calf.
- 3.1.9 Should a seller require semen services to a semen store first bull must be declared as part of the information that appears in the sale catalogue.
- 3.1.10 When an animal that is partly owned is offered for sale:
 - 3.1.10.1 the seller must specify the percentage share to be sold together with any other conditions or reservations that may apply.
 - 3.1.10.2 The progeny of the said animal is recorded and shown on Lupo, must be included in the catalogue.
- 3.1.11 It is important for buyers to note that all Boran registered in the Society's cell book section (SP C1B), which are offered for sale under the auspices, are subject to inspection by the buyer. The screening prior to the sale must not constitute an inspection.

3.1.02 Cattle that are not auction worthy may under no circumstances be offered at the auction.

3.2 Annual Health

3.2.1 All animals offered must have been tested negative in respect of CA and TB as near as possible to the sale date but not more than three months prior to the date of the sale.

3.2.2 Cattle sold at foot with their dams are exempt from TB and CA tests.

3.2.3 If any of the animals offered for sale test positive for CA, TB, Tili, brucellosis, or vibriosis, all the animals offered for sale by the breeder must immediately be withdrawn from the sale, and the offer must be informed.

3.2.4 Pregnancy certificates stating number of months pregnant must be presented to the auctioneer and must correspond with the information given to the office when compiling the catalogue. The pregnancy certificate may not be older than three months, and in the case of the sale.

3.2.5 Within three months prior to the sale, bulls must have 120 months and older must.

3.2.5.1 have been tested by a veterinarian or a registered veterinary pathologist (owner collector for breeding soundness external, internal, genitalia, water and microscopic evaluation of semen sample).

3.2.5.2 be tested negative in respect of Tili, brucellosis, vibriosis, CA, and TB.

3.2.6 Only semen from bulls registered and imported with the Society, registered in accordance with the Animal Improvement Act No. 62 of 1992, have DNA parent verification and carried by a registered semen collector at a registered quarantine station may be offered for sale, do not include in any lot or linked to a sale of a lot. The applicable certification from the quarantine station must be submitted to the Society at least 28 (twenty-eight) days prior to the sale date.

3.2.7 The health and pregnancy certificates must be submitted by the seller to the auctioneer prior to affording the Boran at the sale. No animals will be off loaded at the sale facility if the certificates are not presented to the auctioneer or his responsible official prior to affording.

3.2.8 Council reserves the right to institute disciplinary action against a breeder who fails according to the discretion of Council, administered harmonised links to an animal, which is registered in a web-based and a misrepresentation of such animal.

4 Catalogue

The catalogue is key to a successful sale and to the sellers marketing program. For this reason, it is important that sellers plan their sales well in advance. To provide the required service to sellers, deadlines have to be strictly enforced by the society so as to meet the objectives outlined in this document.

4.1 The seller is required to submit all the required information to the Society 28 days before the date of the sale. Example: If the auction is on the 30th July, the latest submission time and date would be at 17:00 on the 2nd July.

4.1.1 Only animals that meet the following requirements (as set out in the catalogue):

4.1.1.1 Appear on the legal report titled "Breeders' Register" or "Breeders' Register" and have the status "Reg" at the submission time. The definition is where the calf is older than 9 months, but younger than 15 months the calf can be included in the catalogue with the CFB status as a lot B.

4.1.1.2 and in the case of females on the day of sale will:

4.1.1.2.1 have an average ICP less than 730 days

4.1.1.2.2 have calved before 42 months

4.1.1.2.3 have been certified in calf by a veterinarian if older than 30 months.

4.1.1.2.4 Must have a valid lot foot and a lot head embryonic program.

4.1.2 If a breeder submit an entry that has been promoted from CFB to REG in the Sales and Admin report within 4 days after the cutoff time (11h), a late entry fee of R500 will be charged per lot for every administration costs. If an animal is substituted (replaced) with another animal after the cutoff date, a fee of R500 will be charged per lot to cover administration costs.

4.1.2.1 The late entry request form will need to be completed and submitted to the office.

4.1.2.2 The fee will be imposed and charged to the breeder's account and will be payable even if the animal is screened off at the sale.

4.1.3 The seller must provide all the relevant information required on the entry form.

4.1.4 Upon receipt of the relevant entry information, the Society will check the entries and submit a concept sale catalogue within 21 (twenty-one) days of the date of the sale to the seller for approval. A period of 5 (five) working days will be granted to the organizer to submit any changes that are required. The Society will then submit the final catalogue to the auctioneer two weeks prior to the sale date.

4.1.5 Should any information provided by the breeder to the society for the catalogue change between the date of submission in 4.1.4 above and the sale, then the seller is upon the member to inform the office, the auctioneer and the inspectors responsible for the screening of such changes prior to screening.

4.1.6 The sale catalogue will contain the SA Southbook design.

4.1.7 All the breeders' registered animals for sale will be listed in all six copies in the catalogue.

4.1.8 The rules pertaining to the sales presented under the auspices of the Society must be published at the front of the sale catalogue.

4.1.9 No changes to the catalogue can be made after the entry date has expired.

4.1.10 The sale catalogue provides an annexure for seller. This annexure will be used by the inspectors for the screening of the animals offered at the auction.

4.1.11 The following applies to the breeder comments on the catalogue:

4.1.11.1 The comments are limited to a certain number of characters. Where relevant, the information below must be displayed and takes precedence over general comments.

4.1.11.2 Pregnancy must be recorded in months.

4.1.11.3 If a cow is sold with the calf, the calf's number and its sire must be recorded.

4.1.11.4 If the cow is pregnant, it must be recorded who the possible sire of the calf will be and how far she is pregnant. The possible sire's ID must be recorded.

4.1.11.5 If the heifer or cow is running with a bull, the bull must be in possession of the seller or a loan bull to him. The bull's ID must also be recorded.

4.1.11.6 After that, further comments from breeder can be recorded.

5 Screening

5.1 The purpose of the screening is:

5.1.1 to verify the identification of the animals on offer.

5.1.2 to inspect them for harmful traits and compliance with Society terms and minimum breed standards.

5.1.3 to verify that animals that have been flagged by the administrative office meet minimum production standards on the day of the sale.

5.2 The inspectors officiating at a sale screening may not sell Boran registered in their name on that same date.

5.3 All animals (Lot CFB and Appendix A, B, C) presented at the sale will be screened. Boran marked for Registration (RFP) will not be subject to screening. CFB (Call book) animals that pass screening on the day of the sale are still subject to inspection at the required age.

5.4 Sale animals must be available for screening at 12:00 the day before the sale. The Boran office will appoint three special 12 inspectors for screening animals as sale worthy for the National sale and two 20 senior inspectors for all other sales.

5.5 Only the auctioneer's representative will be allowed to accompany the nominated inspectors during screening.

5.6 The inspectors will advise the sellers of animals that have been screened off the sale.

5.7 Sellers must be present or at least contactable after screening. Should sellers not be present, the information will be given to the representatives of the auctioneering firm.

5.8 The inspectors will advise the representative of the auctioneering firm of any animals that fail the screening. The findings of the inspection will be final.

5.9 A breeder of a Boran (both bulls and females) that fail screening shall have either of the following two options:

5.9.1 Sell the Boman that has been returned off as a commercial animal at a commercial sale held not under the auspices of the Society that takes place on the same day. The Boman will be designated (Bosse-its 5/1/19) REG status and will lose the right to re-entrainment.

5.9.2 Remove the Boman screened off immediately from the sale area's sales pens. The Boman will remain in SA-Sp REG status on condition that the Boman is immediately returned to its farm of origin.

5.10 If either the cow or the calf fails screening, then the entire lot will be removed to have taken the screening and 5.9 will apply. Lot A and B, where the calf (lot B) is between 9 and 15 months old and still call back, will be converted as one lot.

5.11 No other type of inspection may be carried out during sale screening.

5.12 At least one of the inspectors involved in the screening, or another official appointed by the Society, will be available on the day of the sale to provide a marketing presence for the seller and the Society to act in an advisory capacity to buyers and to ensure that the auction is conducted in compliance with the above rules.

5.13 After the auction (within three days after the sale), the buyer must send the agreed screening report to the office for records keeping and transfers.

6 Duties of the auctioneer

6.1 The auctioneer must complete in full the applicable Society form and return it to the Society office duly signed.

6.2 As the sale will be presented under the auspices of the Society, the sale pamphlet as well as all other advertising material must be submitted to the Society for approval prior to publication. The official approved Society logo must appear on all advertising as well as the words "Sale held under the auspices of the Boman Cattle Breeder's Society of SA".

6.3 The rules pertaining to sales presented under the auspices of the Society together with other information supplied by the Society must be published in the front of the sale catalogue.

6.4 Only animals on the catalogue may be sold.

6.5 No animals will be allowed to be off loaded at the sale venue if the required veterinary certificates are not presented to the auctioneer or his official responsible for offloading.

6.6 The auctioneer will provide one (1) person to act as the inspector with the screening of sale animals.

6.7 The senior inspector is responsible for submitting the signed screening report to the Society within two (2) weeks of the sale.

6.8 The auctioneer is responsible for collecting the health, fertility and pregnancy certificates for each animal on the sale. The auctioneer is responsible for distributing these certificates to the buyers after the sale.

6.9 The membership numbers of buyers that are registered Boman breeders must be obtained and included with the details of animals purchased by such buyers in the vendor note.

6.10 Before commencement of a sale under the auspices of the Society:

6.10.1 the Auctioneer will explain the meaning thereof,

6.10.2 the Auctioneer will explain the meaning of 5.1 above;

6.10.3 will advise the buyers that the rules of the auction are reduced in the catalogue;

6.10.4 and will advise buyers that they have 30 days from the date of sale to address any issues of concern with the seller that require resolution.

6.11 The contracted Auctioneer is responsible for ensuring that between his introduction and the sellers' adequate public liability insurance cover is in place for the auction.

7 Dispersal Sales

7.1 All the requirements for sales under the auspices are applicable to dispersal sales, as well as the following:

7.1.1 If the breeder intends to hold the dispersal sale, it is a private sale, he may request in writing that Council extend his membership for the agreed-upon period.

7.1.2 It must be clearly understood that the arrangement of further sales under the auspices of the Society, subsequent to the sales as contained in the agreement with the Society, will not be permitted.

7.1.3 Once after the dispersal sale, the breeder's active membership of the Society and membership of SA Studbook will be cancelled and all animals not sold will be considered to a nonmember number. Such person may remain as a visitor or honorary member. After a lapse of five (5) years he may reapply for active membership of the Society and SA Studbook.

7.1.4 All Boman registered with the Society on the date of application in the name of the relevant breeder, company, trust, closed corporation, partnership, or other names in which he has an interest, must be presented on the dispersal sale.

7.1.5 Boman animals sold on a dispersal sale may not be transferred or registered outside to the seller's wife/husband/son/daughter, in any organization (e.g. Company, Trust, closed corporation, partnership or other names) in which he has an interest.

7.1.6 A breeder may sell his Herd Registration Mark at his dispersal sale. This will be treated as completion of the required SA Studbook cession form.

7.1.7 The Society and SA Studbook membership of a breeder (or of the persons selling, who have a financial interest) applied for the presentation of a total dispersal sale under the auspices of the Society will be extended to the end of the financial year within which the final sale takes place, and the full membership fee in respect of that period will be payable by the member/breeder. Therefore the membership of the seller will be terminated as (conferred to the nonactive members list of the sellers to which a letter will be sent) when the financial year ends. The seller's concerned may only reapply for registered breeder membership upon the lapse of 5 (five) years.

8 Commissions and Fees

8.1 The Society will receive a Commission, received from time to time by Council, in respect of all sales held under the auspices of the Society. This will be calculated as a percentage of the total turnover of the sale. The commission will be calculated from each seller and paid across to the Society within 7 business working days, being 50% of the net interest at the ruling prime rate will be added.

8.2 Sellers who privately sell animals after the sale, will be liable for the total commission as set out in the sale agreement, if those animals were entered for the sale and went through the ring.

8.3 Should a bid be accepted during an auction under the auspices of the Society (regardless of who the buyer is), commission of 1

8.4 Commission will be applicable on vendor and employer sales.

9 Buyers

9.1 Should a problem arise with an animal that a buyer has purchased on the sale, the buyer has 30 days from the sale date to raise the issue with the seller and/or Council.

10 Sellers

10.1 Sellers are encouraged to DMA all Boman offers to verify the stated percentage and avoid possible percentage disputes after the sale.

10.2 Sellers are expected to take the necessary remedial action in the event that the percentage of unborn calves of females sold under the auspices is not as stated in the catalogue when the calf is born after the sale. The responsibility on the seller to reach an amicable solution with the buyer. Failing which, the seller will refund the buyer and the buyer will return the Boman sow and calf to the seller.

10.4 All registered bulls used in the herd must have a DNA profile recorded on Logon

11 General Rules

12. All applications for other forms of aid to the internal side under the auspices of the Society should be submitted to the Society in sufficient time to allow for the practical application of the principles contained in this document.

12 Requirements for Internet/Online Auctions

T2.2 All applications for reservation auctions should be submitted immediately in writing to the Council with the view to the practical application of the principles contained in the rules that sales held under the auspices of the British Cattle Breeders' Society of South Africa. The sale screening costs for private/public auctions will be direct costs for the seller. Screenings of animals before an international auction, must be done within two weeks prior to the auction. Please submit your request for a screening in writing to the Technical Advisor. After the screening and a screening will be arranged accordingly.

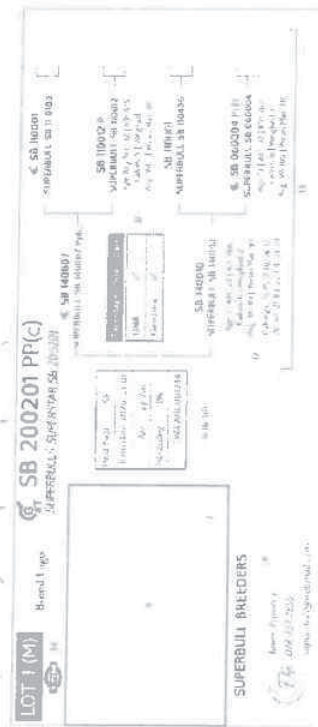

12.4 All other rules in this document also apply to internet/online auctions.

The successful marketing of Romanian steel involves a significant aspect of our citizens' economic success. For this reason, all steps must be taken to ensure that the Romanian steel meets our highest standards and our requirements of quality. This is the only way we can build the trust of the buyer market. In addition, buyers are expected to conduct transactions with integrity and with the utmost use and respect of our fellow citizens and the Society's principles. The Society of a cultured Romanian should have any suggestions or how to improve sales (under the auspices of the Society of Romanian Steel) in a successful and
