

Subject: Geboortekennisgewings en oordragte

From: "Albert Kotze" <albertkotze@otterkuil.co.za>

Date: 2024/10/09, 08:25 am

To: <sonja@studbook.co.za>, "Wendy Wasserman" <wendyw@studbook.co.za>

Goeie môre julle

Hoop en vertrou dat dit goed gaan?

Ek wil net opvolg oor die geboortekennisgewings wat ek gestuur het? Ek het die DNA's ontvang en het dit toe vir Wendy aangestuur op 'n excel sheet. Beide BDN en Almau se goed is op daardie email. Ek het gister op die inventarisse gaan kyk en nog geen van daardie diere lê op die stelsel nie.

Dan, die volgende diere moet asb oorgedra word na hul verskillende eienaars.

337 21-057 na Johnny Forbes

337 21-069 na Johnny Forbes

337 22-083 na Derik Strauss

Baie dankie. Julle moet 'n lieflike dag hê

Vriendelike Groete

Deon Kotze

Subject: Results Batch 45337

Good afternoon,

I hope you are well.

Attached please find the results for **Batch 45337**.

We trust that all information provided to us is complete and correct. We can only provide results with the information we currently have on record. Some STR profiles used in parentage analysis may have been sourced from another laboratory. While every reasonable effort is made to prevent incorrect results, Unistel Medical Laboratories does not accept any responsibility for parentage mismatches due to incompatible marker scoring strategies between laboratories.

We appreciate your support and look forward to working together again soon.

Wishing you a wonderful day.

Kind Regards,
Lerato Ngakane

Assistant Manager
Animal Genetics
