Dear Marietjie

My name is Toni and I have taken over the logix site for Dr Wheeler (JATALA) on Dunsbye Farm.

It appears there is an error on your system with loading Birth Notifications.

As per the attached screenshots your system is telling us these calves identification numbers already exist however the calf is not reflecting on the system therefore we can not input required information.

Kindly attend to this query as soon as possible.

Thanking you in advance.

Warm Regards
Toni
