Môre Liezel

Kyk na die werk dat geet jy toestemming om die bul ANS 110085 se DNA te forseer sodat ons die inspeksies kan afhandeler asb ek sien die bul is al gekanseller.

Dankie en lekker dag!

Marietjie

Hi Marietjie

Trust you are well.

Herewith attached is a list of animals that DNA tests have been done and also the inspection list when they have passed inspection.

We would like to upgrade their registration status.

Kind Regards,

Aslam
