Hierdie dier is op hulle lys maar is gekanselleer as sold as weaner. Kan jy die klaf herinstel en oordra na 0688803NON die dag na die herinstelling datum. Die res is oorgedra. Sodra jy dit gedoen het laat weet almal is in hulle naam op n nie-lid nr en hoor of hulle data wil hê sodat ek dit vir hulle kan trek.

Groete

Subject: CHANGE OF OWNERSHIP OF CATTLE PURCHASED FROM WO BEEFMASTERS

Good afternoon all

Please find attached a list of the cattle we purchased from WO Beefmasters. We would like the change of ownership from WO Beef masters to Mary Ellen Farm to be initiated, and also the necessary clearance for ZHB to register the cattle in their system. Some of the heifers/cows now have calves and we would like to get them registered as well but ZHB has not gotten the go ahead to register these cattle into their system as ownership is still under WO beefmasters.

Hoping the attached information will be of assistance.

Many thanks

Ayanda
