11. General Rules	9
12. Requirements for Internet/Online Auctions.	9

1 Introduction

1.1 Definitions

- 1.1.1 Registered Boran means a Boran that has been entered and accepted onto the BCBS herd database (logbook). A Boran will be accepted into the calf book section (SP/No (CLB) on receipt of the calf birth notification. A Boran will be accepted to Southbook Proper (SP/No (PEC) on passing inspection. A Boran that has been birth notified but registration is pending results of an outstanding issue is not a registered Boran in terms of these rules. Examples could include the following: Percentage not verified (PNT), Fawar's not verified (FNT), MS (Must) Sire requiring verification (PES) and Dam requiring verification (PED).
- 1.1.2 Inspection is a visual appraisal of a Boran by BCBS approved inspectors to ensure compliance with the society's standards of excellence. A Boran must pass inspection to be promoted to the Southbook Proper (SP/No (PEC) section of the society's herd database within the stipulated timeline. A Boran that fails inspection will be deregistered and removed from the herd database.
- 1.1.3 Screening at sales is an appraisal of a Boran for functional faults and compliance with Society norms and minimum breed standards. In the case of Boran still registered in the calf book section of the herd book, screening does not qualify as an inspection.
- 1.1.4 A Dispersal Sale will be held by a Breeder who is permanently disavowing the business of breeding and farming with registered Boran, and consequently needs to sell a his registered animals to facilitate deregistration as an active breeder with the society. This sale will be deemed to be a dispersal sale and hence trigger breeder deregistration if:
 - 1.1.4.1 the breeder uses the word "dispersal" or similar words or phrases in their advertising and/or marketing of the sale.
 - 1.1.4.2 the member informs the society it is a dispersal sale.
- 1.2 Members of the Society are encouraged to sell registered Boran under the auspices of the Society. They will ensure that:
 - 1.2.1 the Boran comply with the Society's minimum standards of purity and functionality by verifying the pedigree and performance data.
 - 1.2.2 the Boran is of a consistent quality and high standard by screening each animal on a 0-10.
 - 1.2.3 your clients are protected in that all animals on offer meet the breed standard.
 - 1.2.4 your clients have a reliable method of addressing possible queries and complaints.
 - 1.2.5 the breed develops a trustworthy reputation in the brief medium which buys buyer confidence as a place of trust.
 - 1.2.6 the society can support you in the event of queries, disputes, resubmission, and publicity.
 - 1.2.7 the benefit of quality of a fair price is afforded to both buyers and sellers and thereby builds the trust in the buyer market, ensuring the sustainability of our breed.
- 1.3 The Society will approve any production sale of registered Boran cattle provided that:
 - 1.3.1 Prior to the auctioneer's sale, the seller must request the Society with the details of the sale.
 - 1.3.2 Both the Seller and the Society will sign a written agreement.
 - 1.3.3 The Seller agrees to the requirements detailed further in this document.
 - 1.3.4 Should the requirements detailed not be met, the society will be entitled to:
 - 1.3.4.1 renegotiate the requirements
 - 1.3.4.2 withdraw permission that the sale be presented under the auspices of the Society
 - 1.3.4.3 if warranted, suspend the membership of the relevant member.

- 2.3 On approval of the application the Society office will furnish the organizer with the official entry forms which must be completed and returned to the office at (least 2 (two) months prior) to the date of the relevant sale.
- 2.4 Each seller, and the Society will sign a written agreement, concerning the conditions that will apply to the sale.
- 2.5 It is the responsibility of the seller to provide all fertility, progeny and health certificates prior to the sale and deliver the originals to the auctioneers before the auctioning date and time.
- 2.6 It is recommended that sales in the same area should not be presented within one week of each other to provide will be regarded as the guide, unless the organizers of both sales agree to such an arrangement.
- 2.7 Only one auction under the auspices of the society can be held on any one day.
- 2.8 No other sale may be held (free 12 weeks prior to the National sale).
- 2.9 Except when history will be taken into consideration where site sites are allocated by the Society. If an auction with history is booked for two years in a row and the auction dates are taken place in these two years, the seller forfeits the date and the date can be allocated to another seller. If a date is booked and the date changes on the auction is cancelled, a fee of R2000 will be charged. If there is a valid reason for the change of the date or the cancellation of the auction, the motivation must be submitted to the council for exception.
- 2.10 A document detailing the rules and duties of the auctioneers will be submitted to the relevant auctioneers for their signature. The Society reserves the right not to approve an application for a sale to be placed under the auspices of the Society should it emerge that the auctioneering firm is in dispute with the Society.
- 2.11 Council and staff members of the Society, in their personal capacity, are indemnified against any claims lodged by other buyers or sellers arising from the sale of animals at such a sale.

3 Requirements for animals, embryos, and semen on offer

3.1 Society and Legislative Requirements

- 3.1.1 All Boran on offer must be registered with the Boran Cattle Breeders' Society. The birth notification of calves born up to the day of sale must be submitted to the Society by the seller. Calves born on sale day will be registered by the new owner.
- 3.1.2 Animals not conforming to the minimum breed standards of the Society may not be sold at a sale offered under the auspices of the Society.
- 3.1.3 The pregnancy status of cows on offer must be such that they calve according to the minimum reproduction standards as specified in the Byelaws of the Society.
- 3.1.4 No female may be offered that is immature in calf to any bull other than a registered Boran bull.
- 3.1.5 Embryos of a fixed sex, derived, included in a lot, or linked to a sale of a lot must be:
 - 3.1.5.1 flushed from Boran cows registered with the Society.
 - 3.1.5.2 accompanied by a signed certificate confirming parentage details, the grade of the embryo and confirmation that the embryos were collected by a registered embryologist at a registered quarantine station.
- 3.1.6 All females older than 30 months on the date of the sale must be ear fused in calf by a registered veterinarian.
- 3.1.7 A cow may be sold with her calf at foot provided that the calf is not older than nine months of age at the date of sale.
- 3.1.8 If the calf is younger than nine months, then the cow does not have to be confirmed in calf.
- 3.1.9 Should a seller retain semen:
 - 3.1.9.1 a semen share in a bull must be declared as part of the information that appears in the sale catalogue.
 - 3.1.9.2 When an animal that is jointly owned is offered for sale.
- 3.1.10 The seller must specify the percentage share to be sold together with any other conditions or restrictions that may apply.
- 3.1.10.1 The seller must specify the percentage share to be sold together with any other conditions or restrictions that may apply.
- 3.1.10.2 The property of the said animal, as recorded and shown on Logbook, must be included in the catalogue.
- 3.1.11 It is important for buyers to note that all Boran registered in the Society's calf book section (SP/No (CLB) which are offered for sale under the auspices, are subject to inspection by the Buyer. The seller, prior to the sale, must submit an inspection

- 3.1.22 Calls a that are not 'auction worthy' may, under no circumstances be offered at the auction.
- 3.2 Animal Health**
- 3.2.1 All animals offered must have been tested negative in respect of CA and TB as near as possible to the sale date, but not more than three months prior to the date of the sale.
- 3.2.2 Cows sold at foot with their dams are exempt from TB and CA tests.
- 3.2.3 If any of the animals offered for sale test positive for CA, TB, Trichomonas or Vibrios, all the animals offered for sale by the breeder must immediately be withdrawn from the sale, and the price must be returned.
- 3.2.4 Pregnancy to 16 weeks stating number of months pregnant must be presented to the auctioneer and must be consistent with the information given to the office when compiling the catalogue. The pregnancy certificate may not be older than three months prior to the date of the sale.
- 3.2.5 Within three months prior to the sale, bulls twenty-four (24) months and older, must have been tested by a veterinarian or a registered veterinary technologist/summer collector for breeding soundness (external, internal genitalia, macro and microscopic evaluation of sperm sample).
- 3.2.5.1 be tested negative in respect of Trichomonas, Vibrios, CA, and TB.
- 3.2.6 Only semen from bulls registered and inspected with the Society, registered in accordance with the Animal Improvement Act No 62 of 1998, have 'HSA' external certification, and collected by a registered summer collector at a registered summer station, may be offered for sale. It must be included in any list or linked to a sale of a lot. The applicable certification from the summer station must be submitted to the Society 31 days before the sale.
- 3.2.7 The health and pregnancy certificates must be submitted by the seller to the auctioneer prior to offering the Boran at the sale. No animals will be allowed at the sale facility if the certificates are not presented to the auctioneer or not resubmitted prior to offering.
- 3.2.8 Council reserves the right to institute disciplinary action against a breeder who had, according to the discretion of Council, circumvented the measures to avoid an animal, which is regarded as unethical and a misrepresentation of such animal.

4 Catalogue

The catalogue is key to a successful sale and to the sellers marketing program. For this reason, it is important that sellers plan their sales well in advance. To provide the required service to seller's deadlines have to be strictly enforced by the society so as to meet the objectives outlined in this document.

- 4.1 The seller is required to submit all the required information to the Society 28 days before the date of the sale. Example: if the auction is on the 30th July, the latest submission time and date would be 1st 10th or the 2nd July.
- 4.1.1 Only animals that meet the following requirements can be included in the catalogue.
- 4.1.1.1 appeal on the Logix report titled 'Selection/Admin' or Kral Koorst and have the status 'flag' at the submission date. The exception is where the calf is older than 9 months, but younger than 15 months the calf can be included in this catalogue with the CLB status as a lot 16.
- 4.1.1.2 also in the case of females on the day of sale will
- 4.1.1.2.1 have an average FCI less than 750 days
- 4.1.1.2.2 have calbed before 42 months
- 4.1.1.2.3 have been entered in calf by a veterinarian if older than 30 months
- 4.1.1.2.4 Must have a calf at foot since her last embryo program.
- 4.1.2 If a breeder's animals are only that have been promoted from CLB to REG in the Selection/Admin report, within 4 days after the cutoff time in A.I, a late entry fee of R500 will be charged per lot to cover administration costs. If an animal is substituted (replaced) with another animal after the cutoff date, a fee of R520 will be charged per lot to cover administration costs.
- 4.1.2.1 The late entry request form will need to be completed and submitted to the office.
- 4.1.2.2 The fee will be imposed and charged to the breeder's account and will be payable even if the animal is screened off at the sale.

- 4.1.3 The seller must provide all the relevant information required on the entry form.
- 4.1.4 Upon receipt of the relevant entry information, the Society will check the entries and submit a prospectus catalogue within 21 (twenty-one) days of the date of the sale to the sale organizer for approval. A period of 5 (five) working days will be granted to the organizer to submit any changes if or so required. The Society will then submit the final catalogue to the auctioneer two weeks prior to the sale date.
- 4.1.5 Should any information, provided by the breeder to the Society for the catalogue, change between the date of submission in 4.1.4 above and the sale date then the only way the breeder to advise the office, the auctioneer and the inspectors responsible for the screening of such changes prior to screening.
- 4.1.6 The sale catalogue will conform to the SA Soutbook design.
- 4.1.7 All the breeder's registered animals for sale will be listed in full accordance in the catalogue.
- 4.1.8 The rules pertaining to the sales presented under the auspices of the Society must be published as the front of the sale catalogue.
- 4.1.9 No changes to the catalogue can be made after the entry date has expired.
- 4.1.10 The sale catalogue provides an avenue for seller. This avenue will be used by the inspectors for the screening of the animals offered at the auction.
- 4.1.11 The following applies to the breeder's comments on the catalogue:
- 4.1.11.1 The comments box is limited to a certain number of characters. Where relevant, the information below must be displayed and takes precedence over generic comments.
- 4.1.11.2 Pregnancy must be recorded in months.
- 4.1.11.3 If a cow is sold with the calf, the calf's number and sex must be recorded.
- 4.1.11.4 If the cow is pregnant, it must be recorded who the possible sire of the calf will be and how far she is pregnant. The possible sick ID must be recorded.
- 4.1.11.5 If the heifer or cow is running with a bulls, the bull must be in possession of the seller on a loan bull to sell. The bulls ID must also be recorded.
- 4.1.11.6 After that, further comments from breeder can be recorded.

5 Screening

- 5.1 The purpose of the screening is
- 5.1.1 to verify the identification of the animals on offer.
- 5.1.2 to inspect them for functional faults and compliance with Society norms and minimum based standards.
- 5.1.3 to verify that animals that have been flagged by the administrative office must minimum production standards on the day of the sale.
- 5.2 The inspectors attending at a sale screening may not sell born registered in their name on that same day.
- 5.3 All animals (SP, CLB and Appendix A, B, C) presented at the sale will be screened. Borer marked 'Not for Registration' will not be subject to screening. Calf (all liquid) animals that pass screening on the day of the sale will subject to inspection at the next sale.
- 5.4 Sale animals must be available for screening at 12:00 the day before the sale. The Borer office will appoint three senior (3) inspectors for screening animals as sale worthy for the National sale and two (2) senior inspectors for all other sales.
- 5.5 Only the auctioneer's representative will be allowed to accompany the nominees inspectors during screening.
- 5.6 The inspectors will advise the sellers of animals that have been screened off the sale.
- 5.7 Sellers must be present or at least contactable after screening. Should sellers not be present, the information will be given to the representative of the auctioneering firm.
- 5.8 The inspectors will advise the representative of the auctioneering firm of any animals that fail the screening. The findings of the inspectors will be final.
- 5.9 A breeder of a Boran (both bull and female) that fail screening shall have other of the following two options:

3.9.1 Sell the Boran that has been screened off as a commercial animal, at a commercial sale held not under the auspices of the Society that takes place on the same day. The Boran will be de-regulated (lose its SP) as a REC animal and will lose the right to re-inscription.

3.9.2 Remove the Boran screened off immediately from the sale area / sales pens. This Boran will retain its SP REC status on condition that the Boran is immediately returned to its farm of origin.

3.10 If either the sow or the calf is in screening, then the entire lot will be deemed to have failed the screening and 5.9 will apply. Lot A and B, where the calf (A or B) is between 9 and 15 months old and still calf blood, will be considered as one lot.

3.11 No other type of inspection may be carried out during or on screening.

3.12 At least one of the inspectors involved in the screening or another official appointed by the Society will be available on the day of the sale to provide a marketing prospectus for the seller and the Society to act in an advisory capacity to buyers and to ensure that the auction is conducted in compliance with the above rules.

3.13 After the auction (within three days after the sale), the inspector must send the agreed screening fee to the office for record keeping and transfers.

6 Duties of the auctioneer

6.1 The auctioneer must complete in full the applicable Society form and return it to the Society office duly signed.

6.2 As the sale will be presented under the auspices of the Society, the sale pamphlet as well as all other advertising copies must be submitted to the Society for approval prior to publication. The official approved Society logo must appear on all advertising as well as the words "Sale held under the auspices of the Boran Cattle Breeder's Society of SA".

6.3 The name pertaining to sales presented under the auspices of the Society, together with all other information supplied by the Society must be published at the front of the sale catalogue.

6.4 Only animals on the catalogue may be sold.

6.5 No animals will be allowed to be off-loaded at the sale venue if the required veterinary certificates are not presented to the auctioneer or his official responsible for off-loading.

6.6 The auctioneer will provide one (1) poster to assist the inspection with the screening of sale animals.

6.7 The senior inspector is responsible for submitting the signed screening report to the Society within two (2) weeks of the sale.

6.8 The auctioneer is responsible for collecting the health, fertility and pregnancy certificates for each animal on the sale. The auctioneer is responsible for distributing these certificates to the new owners after the sale.

6.9 The membership numbers of buyers that are requested by the breeders must be obtained and included with the details of animals purchased by such buyers in the vendor role.

6.10 Before commencement of a sale under the auspices of the Society:

6.10.1 The Auctioneer will explain the meaning thereof.

6.10.2 The Auctioneer will explain the meaning of 5.1 above.

6.10.3 will advise the buyers that the sales of the auction are included in the catalogue.

6.10.4 and will advise buyers that they have 10 days from the date of sale to address any issues of concern with the seller that require resolution.

6.11 The contracted Auctioneer is responsible for ensuring that between his organization and the sellers, adequate public liability insurance cover is in place for the auction.

7 Dispersal Sales

7.1 All the requirements for sales under the auspices are applicable to dispersal sales, as well as the following:

7.1.1 If a Boran animal is sold at a dispersal sale in two parts, he may request in writing that Council extend his membership for the agreed upon period.

7.1.2 It must be clearly understood that the arrangement of further sales under the auspices of the Society subsequent to the sales as contained in the agreement with the Society, will not be permitted.

7.1.3 One year after the dispersal sale, the breeders act as membership of the Society and membership of SA Studbook will be cancelled and all animals not sold will be transferred to a non-member number. Such person may remain as a non-member and may member. After a lapse of five (5) years he may reapply for act as membership of the Society and SA Studbook.

7.1.4 All Boran registered with the Society on the date of application in the name of the relevant vendor, company, trust, blood conservation, partnership, or other names in which he has an interest, must be presented on the dispersal sale.

7.1.5 Boran animals sold on a dispersal sale may not be transferred as registered animals to the seller's wife/husband/family member or any organization (e.g. Company, trust, blood conservation, partnership or other names) in which he has an interest.

7.1.6 A breeder may sell his Herd Designation Male at his dispersal sale. This will be achieved on completion of the required SA Studbook cession form.

7.1.7 The Society and SA Studbook membership of a breeder (or of the concerned seller, who have successfully applied for the cancellation of a local dispersal sale under the auspices of the Society) will be extended to the end of the financial year within which the final sale takes place, and the full membership fee in respect of that period will be payable by the member/concern. Thereafter the membership of the seller will be terminated or transferred to the respective member (or the seller) to whom the seller either of the aforementioned conditions. The seller's concerned may only reapply for registered breeder membership upon the lapse of 5 (five) years.

8 Commissions and Fees

8.1 The Society will receive a commission as fixed from time to time by Council, in respect of all sales held under the auspices of the Society. This will be calculated as a percentage of the total turnover of the sale. The commissioner will be credited from each seller and paid across to the Society within 7 (seven) working days (excluding which penalty interest at the ruling prime rate will be levied).

8.2 Sellers who privately sell animals after the sale, will be liable for the total commissions as set out in the sale agreement. If those animals were entered for the sale and went through the ring.

8.3 Should a bid be accepted during an auction under the auspices of the Society (regardless of who the buyer is), commission 6.1.

8.4 Commission will be applicable on semen and embryo sales.

9 Buyers

9.1 Should a problem arise with an animal that a buyer has purchased on the sale, the buyer has 50 days from the sale date to raise the issue with the seller, agent or Council.

10 Sellers

10.1 Sellers are encouraged to DM all Boran in order to verify the stated parentage and avoid possible parentage disputes after the sale.

10.2 Sellers are expected to take the necessary remedial action in the event that the parentage of unborn calves of females sold under the auspices is not as stated in the catalogue when the calf is born after the sale. The money is or the seller to reach an amicable solution with the buyer. Failing which the seller will refund the buyer and the buyer will return the Boran cow and calf to the seller.
