- ▶ How to improve on the legendary 7AN580 HOME TOWN (one of our former #1 sires for Angus registrations)? Add more growth, more CW, more Marbling and more REA. That's a HOME RUN!
- ▶ Along with well-above average growth, HOME RUN displays a phenotype even carcass critics can appreciate.
- ▶ This youngster has seen heavy use because he takes value-based genetics to a whole new level.
- ▶ Don't miss a quality opportunity here - a HOME RUN is always better than a strike out!
