Hi Linette

I'm sure I sent this list a long time ago. Please see attached.

I've just pulled it off my Excel records and scanned it to PDF

Kind regards,

Hello Linda

Thank you.

As per previous correspondence – **on council's instruction I have requested a list of the head of cattle (179) from Mark.**

As you can understand – we are experiencing this problem annually and the situation needs to be resolved.

By accepting a manual count, the Society is making an exception for you. Therefor creating a president – which is unfair to our other members.

Due to the payment made by you, the Society will not proceed with legal action – but unfortunately services will remain suspended until a list of animals is provided.

We trust that you find the above in order.

Kind regards

From: Linda Andersen <linda@hogsback.com>

Good Day Linette

I have calculated the fees due on 179 head of cattle, as per my instructions from Mark Andersen. He has been working on the herd registration details.

Based on 179 head of cattle, I have paid R25467.55 for invoice 1796 and 1998, including the herd registration fees.

Kind Regards
Linda
