More Michelle

Hoop dit gaan goed!

Sen asb Vicky se epos hieronder.

Is dit moontlik om die kalwers van GG170030 te registreer?

Groete
Naomi

HI Naomi

There is one more animal that needs registering. Details as follows:

Calf

2082 Dam 0550 Sire 1730 Female

DOB 29/10/2020 Birth mass 42

Have you managed to sort out the bull 1730 – are we able to register his calves – the DNA has been done.

Regards

Vicky Griffin

Hi Naomi

Not sure if I sent you the last few births.

Kind regards

Vicky
