RE: Edit lists

The following births can be cancelled as they become commercial:

ZAM200048

ZAM200095

ZAM200053

ZAM200065

ZAM200116

ZAM200069

Bull cancelled, please move date ZAM150149(cancelation date 10/08/2019) as he still in the commercial herd and used as a clean up bull and occasionally empty cows end up with him. Calves to register:

ZAM200106

ZAM200124

ZAM200212

ZAM200226

ZAM200001

ZAM200002

ZAM200142

Bull ZAM110089.

ZAM190008 - rejected at inspection and dam died

ZAM190016 - died and dam left herd

Both can be removed from error list.

Please resend edit and error list after you have done the correction!
