Goeie more Lea,

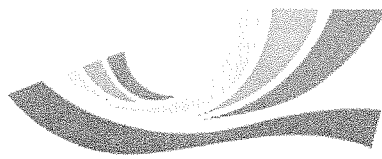

Vertrou dit gaan goed. Thys het laat weet dat daar verwarring is met twee diere se DNA nommers. Ek heg die DNA nommers vir twee diere hierby aan. Kan jy asb die korreksie op die stelsel aanbring?

BBM17.45 moet P2331/**17** wees en nie "/15" nie.

DNA-number	Animal ID	Gender	Birth Date	Registration #
P2331/17	BBM17.45	Male	12/03/2017	
P2331/15	VIL14.303	Female	30/10/2014	80789068

Baie dankie vir jou moeite.

Vriendelike groete,
