Good day

All the comm cows birthnotifications have been removed from the errors.

Please email me the details(gender, weight and parents) of - GED 19/0023 born 25/4/2019. The calf is not on record, I want to load it from this side as NFR

Please email me the details(gender, weight and parents) of - GED 19/0025 was born 24/10/2019. The calf is not on record, I want to load it from this side as NFR.

Regards
