Goeie more,

Sal jy dalk vir my kan help met die opname van hierdie saad. Botswana het dit ingevoer van America af.

Jammer ek pla jou daarmee, maar dit gaan bietjie dol by my en ek het nie nou die tyd om te leer hoe die nuwe Logix werk nie, ek gaan die 22ste in vir 'n rug operasie en ek kom nie deur al my werk nie.

Laat weet maar as jy nie sal kan help nie, dan moet hy maar net wag.

Baie dankie,

Susan Neethling

This Multiple Trait Leader not only looks great on paper, but when you analyze his structure and phenotype, he has the eye-appeal and skeletal design that breeders are looking for. He ranks in the top 1% of the breed for YW, HCW, and REA, the top 2% for WW, the top 3% for SC, the 10% for Marb and Tend. He is sired by Copperhead 214 out of a RDF Sancho 7-216 daughter. We have been fortunate to have Sancho 7-216 in our lineup for a number of years and he has produced some phenomenal daughters. In addition to the outstanding EPD data, C-P Copperhead has proven himself in the show ring as a two time International Grand Champion, 2018 National Champion and 2018 World Champion. If you're looking for the bull that combines EPDs, phenotype and genomics, here he is. He is balanced throughout and has an excellent underline - an exceptional all-in-one
