Hi Ann

Hoop dit gaan goed. Gister by oom Daan gaan koffie drink. Hy lyk nog baie goed en is gesond. Nog vol streke soos altyd.

Die diere in toetse by Alexswill (DDJ190209 en DDJ190319) loop by hulle in Zambia. Alexswill moet as die “Keeper” aangedui word dan sal alles reg behoort te loop. Sal jy asb so verander.

Groete.

Johan
