Hallo Liezel

Ek het onlangs inspeksie gedoen by die volgende lede en hulle het gevra om lyste aan die genootskap terug te stuur.

1. Geoff Orpen – Cattle were in very good condition, and this is a plus for the Sussex breed.
2. Johan du Randt – cattle were also in a very good condition; the partnership can be very proud.
3. Morne Cloete – very good just needs to de horn better
4. Conrad Fehrsen – up grade from commercial to appendix – cattle exceptional and going to be an asset to the breed
