Reg no: 2019/309477/07

The following are applicable to the information contained in this report –

1. Genepro (Pty) Ltd Registration Number: 2019/309477/07, accepts that the biological sample(s) provided originates from the relevant animal(s) as indicated on the relevant sample(s) provided and that the sample(s) corresponds with all requested samples listed on the sample submission form. Genepro (Pty) Ltd does not accept responsibility for the effect of any absent samples on the analysis results;
2. It is the sender's responsibility to obtain permission, if necessary, when sending samples where required;
3. In no event shall Genepro (Pty) Ltd assume liability or responsibility to any third party to which this document is disclosed or otherwise made available,
4. The results are based on a preliminary marker panel that is subjected to modification pending additional generic information;
5. Nothing in this document should be constructed as advice to proceed or not to proceed with any specific course of action, as it was not prepared for that purpose;
6. Genepro (Pty) Ltd shall not be responsible for technical mistakes and/or human error that could not be foreseen.
