Hi Marietjie, sien asb die boodskap hier onder. Sal jy asb die nodige doen?

Groete

Liesel

Good morning Louise.

Best wishes for 2021!

I have noticed that a stillborn calf has not been registered in my herd. Dam is LEB16.506. Her stillborn calf was on 15/10/2019. I didnt give it a number. Can this be registered as an abortion/ calving for the sake of dams ICP?
