Hi June,
Comments!!
The 2 calves are twins but the mother is actually 12-064 not 12-062!!

The other 20-059 I must check but I think the mother is 17-037 not 17-137.....I will confirm.

Must have had too much Xmas when I mailed you 😊
Cheers,
Clive

Dear Clive

Happy New Year and a beautiful 2021 for you.

Please give me feedback regarding this BNS:

20 59's mother is MCS 17 137 NVR (not for registration) and now the birth cannot be recorded.
20 63 and 20 64 - is it a twin? Just want to make sure completely, it is not so shown. They have the same mother.

Kind regards

June Wild <image002.jpg>
