Good day Terence,

I had a look at the mails you send to Andrea and not one of these breeders are registered with Studbook except for Double Bar 7.

I did send him a mail asking for the lambs birth notifications and I did CC you in.

The other animals I need to register them on you name with your HDM that is HM as Appendix A animals. All I need from you to do this is the sex of the animals and if you can maybe provide me with a Inspectors name that did the Inspections on these auctions I can start to register these animals on your name.

I see the most of these lambs was born in 2020. Is that correct?

As soon as you can give me the above asked I can do the mails for you and then send you a Per Capita as soon as I am finished. I will also give you each lambs computer number next to the numbers you send to Andrea

then you can see how I registered them.

Hope all is well.

Thank you,

Regards
