**Subject:** Zambucca VST 11-01 transfer

Hi Suzette

Please could you transfer the bull VST 11-01 onto Rohan Neethling's name. I already sold it in Oct 2019 to him. Not sure how I forgot to transfer it. He has subsequently resold it to Andrew Grace so please get the date of that sale from Rohan so that it can also be transferred into their name afterwards.

Many thanks  
Quentin
