Hi Twane. I hope you are well. I am not sure what is happening with the computer numbers. I have corrected the above ones except for 18-114. I have 0087370441 as her number. Please could you send me the correct one so I can change it. Apologies for the Staal cows. I transferred them and forgot to take them off my system.

PD23-374 is definitely a female. Please change on your side for me.

PD22-623 you can cancel as he has been slaughtered.

Thanks Twane.

Have a wonderful day.

Regards

Pierre
