JX VIERRA DOORS	325 024 325 4	1000	

THE SEMEX ALLIANCE, 5653 HIGHWAY 6 NORTH, GUELPH, ONTARIO, CANADA, N1H 6J2.

TOTAL: 4 400

CONDITIONS

- 1) Certification by the exporting country that the number of unfrozen (live) spermatozoa per dose complies with the minimum amount specified on the reverse side of this document.
- 2) DNA profiles must be provided to the Register of Animal Improvement, and relevant Breeders Society before release from quarantine, if not available at time of importation.

This authorization is subject to the compliance with the veterinary requirements set out in the attached permit and is also subject thereto that the intended importation meets with all the provisions of the said Act. This authorization does not exempt the importer from the provisions of any other law. This authorization may be withdrawn by the Registrar should any false information be discovered in the application. This authorization is also not transferable. This authorization is for one consignment only and must be handed in and cancelled at the port of entry. Imported semen shall under no circumstances be transferred, sold, given, or donated to any other person or body unless prior written approval from the Registrar has been obtained. Any such approval shall be considered as new application for the importation of semen.

Morning Tessa,

I am well and I hope you are too. All the best for 2026.

Attached please see the permit as requested. Please let me know if you need anything else.

Regards,
