Should the Producer fail to make timeous payment of the invoiced amount or at all, BKB will be entitled to add interest calculated at the prime rate of FNB, plus 5% (five percent) on any outstanding and overdue amounts. Such interest will be calculated daily and capitalised monthly from date of invoice to date of payment.

If the Producer has a current and approved credit facility with BKB, the Producer may elect to debit the DSS Tariffs invoiced amount against the credit facility that will be deemed monies lent and advanced.
