Today

Môre tannie Susan. Ek hoop dit gaan goed? Sal tannie asb vir my kyk na RD23-86? Sy ma is SZ17-06, maar sy het net een kalf. Dit is nie reg nie, ek dink my mense het verkeerd geskryf by haar vorige kalwers. Sal tannie asb kyk na SZ17-07 se kalwers en net haar nommer na SZ17-06 verander, asb?

11:14

RD23-29 se ma het gekalf toe sy jonk was. Die kalf was dood gebore. Die kalf datum was 01/08/2020
