Hi Wilanna

Please find the list of exits and dates and codes for cattle that are no longer at Glynton

I down loaded the per capita list from Studbook on the 15th June 2026 for this comparison

I do not know why there are so many animals on this list from the past.

The other aspect is that we were under the assumption the the data synch each week would pick up these exits

Please come back to me with any queries

We will check the other information on animals left to try and sort out issues there

Regards

Peter Durham
