DNA PROFILE FOR PARENTAGE VERIFICATION

We hereby confirm that:

Arabesque Cats Whizkers (Q019/20) is the sire and
Sail on Blanca's Tee (Q063/14) is the dam of
the foal, **Studnix Whizard of Ice** (Q002/26).

The results of the parentage verification test depend upon the assumption that the hair samples received are from the animal as indicated by the owner/sender.

The genotypes were generated using proven technology for DNA profiling in livestock. While extensive measures were taken to ensure the integrity of these genotypes, the ARC assumes no liability for errors that may arise as a result of their veracity, interpretation and/or use.
