Hi Iwane. There are
7 bulls that had to get
inspected. I did them 10
days ago. I can only sign
on Thursday when I get
back. There is one on
page 10

BOS [233370](#).

On Page 11 there are 6.

CDM [230054](#)

CDM [230100](#)

CDM [230123](#)

CDM [230232](#)

CDM [230235](#)

CDM [230324](#)

When I did them he had
the right bulls but the
wrong form, so I couldn't
sign. Can you load
those and I will send the
signed pages through on
Thursday. Thks so much
Rob
