Subject: ownership
Attachments: FULLER PEARL.pdf; FULLER PIPER.pdf

Hi there,

I have an owner of an offspring that died last year. I placed the dog with an owner from a pup from that same litter and would like to know if I can transfer ownership on to him and have a new birth certificate sent?

I've attached both birth certificates. The bitch named 'Piper' would need to be transferred to the owner of 'Pearl', Roger Wallace.

Thank you

Have a Wonderful Day!
