Hi Marietjie,

Sien asb. hier onder Piet Swart se boodskap.

Ek het vir jou die screenshots wat te klein is om te lees groter gemaak en dit aangeheg.

Sal jy asb. die inligting op Logix aanbring en die nodige veranderinge maak?

Baie dankie.

Vriendelike groete.
Kind regards.

Goeie dag Teresa.

1)Vind my huidige per kapita lys. Die diere wat ek wil kanselleer het ek met rooi gehighlight.

2) Bulle x2 wat ook geslag is.

HBH 17-19

DHK 17-6

3) Vind aangeheg die besonderhede van diere (x19) wat deur Helena Malerbe en

Willem Pretorius gekeur is wat ek graag as A diere wil inbring (baie vrugbaar en tipies tuli waarvan amper almal uit SP bulle kom) soos voorgestel deur hulle.

@Helena sal jy bevestig dat dit korrek is. Hier is x3 van die boshof plaas, asook x16 van Kimberley plaas. Ek het sekere diere ook uitgegooi wat laag gepunt het of wat ek self nie wil voortgaan nie. Dus net hierdie x19 diere. Die jong verse gaan ek ook eers dragtigheid bevestig en dan die mooies soos deur julle geïdentifiseer het nomineer vir registrasie/inspeksie. Stem jy saam?

Teresa, laat weet ook asseblief watter ekstra inligting jy benodig rakende die diere asook hulle nageslag. Ek het akurate rekords.

Hallo Teresa. Jammer vir die ongerief, maar ek is nou al 'n geruime tydjie besig om my huidige stoetkoeie en nuwe keurings in order te kry met hulp van Helena.

EK versoek asseblief 'n paar dae ekstra voordat julle my faktureer, aangesien ek heelwat stoetkoeie gaan skrap. ek moes net eers die keurings laat doen deur Helena sodat ek kan sien watter ander koeie ek kan inbring in die stoet as A diere. Ek is tans in die buiteland en is afhanklik van ander persone vir inligting and videos rakende die diere.

By voorbaat baie dankie as dit moontlik is.

Groete
Piet Swart.
