Subject: Semen co ownership query

Hello Tracey

Hope you are well.

It has just come to our notice that on the bull LAR21-400 profile on Logix there is a co-user for Munyamela Bonsmaras.

We are not aware of this transaction and don't know who they are.

I did send an email to transfer a co-user of LAR21-400 to Francois Bornman in October 2025.

Maybe there was a mix up there.

Please could you remove Munyamela Bonsmaras and add Ons Tuiste Bonsmaras.

Many thanks

Kind regards

Tutu
