Hello Sue

Thank you so much.

I will forward it to Herman in the meantime but he will only be able to remove the pending CEM when the DNA,SOC has been updated.

Thank you very much

Good Morning Bianca

I am attaching an application for registration.

I know you will have to pend this because we don't have a CEM for the Sire but, in order for me to apply for exemption I need a computer number to show that the application has been registered with SASBA. As soon as I have that I will contact Dr. Loxley.
