Dear Christopher,

We're *udderly* delighted to welcome you to SA Stud Book!

Just like with a well-bred herd, we believe in keeping things organized, so we've attached your **participant details** to this email.

We want you to feel like part of the family, not like the *black sheep* left wandering without direction. Your **technical advisor – Andries** - is here to guide you every step of the way and will be in contact with you soon.

To avoid you from getting stuck with admin tasks, we've made sure you have a **dedicated data clerk – Suzette** – who will make sure everything runs as smooth as possible!

Both your Technical Advisor and Data Clerk are copied in this email.

Every story has two sides, and at SA Stud Book, we want to hear yours. We hope you'll participate, collaborate, and share your thoughts with us—we're *all ears*!

Best regards,

SA Stud Book

**Philna Moelich**

Admin Clerk
