Hello Marietjie

Please find the adjustments that need to be made to the following Beefmaster animals for parentages to reflect accurately!

1) JVH Animals: All these animals need to have the Service Code changed from a 1 (Natural) to a 2(AI) Please!

JVH 23-0005 (0096478888)

JVH 23-0020 (0096478979)

JVH 23-0004 (0096478870)

JVH 23-0403 (0096491477)

JVH 23-0405 (0096491485)

JVH 23-0413 (0096491527)

JVH 23-0415 (0096491543)

JVH 23-0418 (0096491576)

JVH 23-0424 (0096491626)

JVH 23-0512 (0096492392)

JVH 23-0513 (0096492418)

JVH 23-0520 (0096492459)

JVH 23-0522 (0096492467)

JVH 23-0590 (0096812441)

2) Klippvallei Bulls - Which is also Diamond-D-Holdings.

Please make the following bulls, a co-user of 0709021BMA, **each bull has its own date!**

-- take your time so we don't get that TUL Bull error again!

A) ROCK 19-0072 (0090295106)

With the dates, 01/01/2022 to the date 19/06/2023

B) ROCK 19-0079 (090295130)

With the dates, 01/01/2021 to the date 18/11/2024

C) ROCK 19-0040 (090294927)

With the dates, 01/01/2021 to the date 19/06/2023

D) ROCK 17-0197 (0087668315)

With the dates, 01/01/2021 to the date 18/11/2024

The next batch of Beefmasters will come tomorrow!

Warm regards

Jason
