Goeie dag Lea

Ek wil net opvolg of daar al goed keuring gekry is om END240040 van vroulik na manlike te verander?

Is dit iets wat ek moes aanvra en by wie?

Groete

More, ek het vir die Genootskap gestuur vir goedkeuring, want die dier is 2024 al, so goedkeuring word benodig vir verandering.

Groete.

Goeie dag Chantelle / Lea

Ek hoop dit gaan goed. Dier END240040 is 'n vroulike dier op die stelsel en in die toets manlik met scrotum.

Ek kan bevestig dat END24-40 wel Manlik is. Dalk met die aanmelding 'n fout gemaak.

Sal julle asseblief my fout kan regstel en deurgee vir Ann.

Groete

Goeie dag ,

Dier END240040 is 'n vroulike dier op die stelsel en in die toets manlik met scrotum. Indien die geslag manlik moet wees laat weet asb vir Chantelle of vir Lea van die geslag en laat hulle my net inlig sodat hierdie toets kan deurgaen.

Geseende dag en veilig wees,

Vriendelike groete.
