Goeie more,

Na aanleiding op Miki se terugvoer, laat weet asseblief of ons die onderstaande 4 bulle moet kanselleer in Logix.

Dankie.

Goeie more!

Hoop dit gaan sommer baie goed.

Elizca, ongelukkig kan die bulle nie as B bulle verkoop word nie.

Alhoewel hul vaar n SP was, die feit dat hy gekanselleer was/ afgekeur was maak dat die bulletjies nie n B status kan kry nie.

Ek is regtig jammer daaroor.

Lekker dag.

Groete,

Dear Swarthaak Boerdery,

Thank you for choosing ZooOmics™ for your animal genetic services.

The following samples (4) have been received and are being processed. **Results will be made available from between 7 - 14 working days from date of receipt of this email.** Results are only released subject to payment.

Please confirm that the details below are correct.

Please note we do not have the DNA profile of the sires highlighted in yellow. May you please send us their DNA profile so that we can test them as possible sires to your samples, alternatively you can send us the hair sample and we can then DNA profile them and test them as possible sires.
