Good Morning Bianca

I am attaching an application for registration.

I know you will have to pend this because we don't have a CEM for the Sire but, in order for me to apply for exemption I need a computer number to show that the application has been registered with SASBA. As soon as I have that I will contact Dr. Loxley.

Dear Ms Cook

RE: REQUEST FOR EXEMPTION FROM PRE-BREEDING CONTAGIOUS EQUINE METRITIS SURVEILLANCE REQUIREMENTS FOR A FOAL NAMED LITTLE ANGELS MAXIMUS

Reference is made to the application by SA Stud Book for exemption from a pre-breeding CEM clearance certificate received on 2 May 2026. The Director: Animal Health hereby informs you that exemption from the requirement for a pre-breeding CEM clearance certificate for the Welsh Mountain Pony "Bioci Bright Star" is granted for the registration of the following foal only:

Little Angels Maximus

Computer number: 0013478011

DNA Reference U626096 (Unistel)

Date of birth: 14 November 2016

Breed: Welsh Mountain Pony

Sire: Bioci Bright Star

Dam: Hansu Pearl

The foal Little Angels Maximus has been tested for CEM and his CEM clearance certification has been provided. The breed society has confirmed that Bioci Bright Star has died and proof that he has been cancelled from the SA Studbook system has been

provided. If SA Studbook or the breed society becomes aware of any breeding taking place or of foals produced from Bioci Bright Star after the date of death these entities are required to:

1. Notify the Director: Animal in writing within 24 hours at PA.DAH@nda.gov.za and KerryL@nda.gov.za;
2. Suspend registration pending written approval by the Director: Animal Health;
3. Provide the Director: Animal Health with all relevant contact details for the owner or manager of the property and the owner of the horse. Please forward such in writing to PA.DAH@nda.gov.za and KerryL@nda.gov.za.

Please note that this exemption does not in any way alleviate the requirements for registration as set out in any other official document or from compliance with any other relevant Act of the Republic of South Africa.

We thank you for your kind support

Yours sincerely,

Dr Mpho Maja
DIRECTOR: ANIMAL HEALTH
Date: 25 MAY 2026
