Good evening. A pedigree is missing:

LegioneAfricana Venatio Third / Chip Number 380260006152334 / Colour Diluite / Owener: Michele Nicoletto / Padova (ITA).

Furthermore, the pedigree of LegioneAfricana Venatio Third needs to be corrected. LegioneAfricana Venatio Third / Chip Number 380260006152334 / Colour Diluite / Owener: Federica Santoro / Milan (ITA).

I apologize for the previous incorrect transcription of the email. Thank you.
