Good day,

From who you bought these animals? I need the HDM of each animal.

Your HDM is 2110. Each of the attached ID numbers must have a HDM.

If you bought them on an auction, please give the name and date of the auction. The name that you registered at the auction, as a buyer, is very important.

It will help a lot if you can supply the Invoice/s.

Kind regards.

Good morning Idaishe,

Attached your per capitalist.

The next animals are not on the system. You must inspect them as basic animals and then they will be registered with your HDM - 2110.

1637 21 676 is not transferred. I wait for the confirmation. As soon as the transfer is done, I will let you know.

Kind regards
