Good morning

I'm so sorry I will correct Americat's Legend. There are just too many horses to keep up with.

Thank you.

Hi Anri

Attached is the current herd list and Americat's Legend.

I am a bit confused as to Americat's Legend. This was transferred to Jeanene from PC van Rooyen which means that Jeanene will have to transfer??? Please advise.

Gunna's Ceaser – this has not been done. First notification received.

I will go through all the registrations and let you know what else is needed.

Elaine has sent through Death Notification.

Regards
Sandi
