As these animals are currently cancelled, they may not be offered for sale under the auspices of the Society.

Council has therefore recommended that these animals be withdrawn from the sale. Should you wish to reinstate them, you are welcome to do so at your convenience so that they will be eligible for inclusion in a future sale. Unfortunately, there is insufficient time to complete the reinstatement process before this sale and have them included in the catalogue.

Thank you for your understanding and cooperation. Please let me know if you have any questions or if there is anything I can assist you with.

Vriendelike groete.

Kind regards.
