The Friesian Breeders Society of South Africa
Att: Elize

Re: Breeding of Fetse 349 Sport

This is to confirm that my stud was the lawful, registered owner of the approved Friesian breeding stallion, Fetse 349 Sport. We owned him from January 2011 until his death on 17 February 2021.

This also serves to confirm that Mrs. M Botes, owner of Doorndraai Stud, was the owner of the following mares which were inseminated with legitimate semen from Fetse 349 Sport:

1. Doorndraai-black Ydelweis – dam of Uthred
2. Doorndraai-black Udeleen - dam of Udelaine

Please ensure these offspring are registered as Fetse was a highly respected, and registered, breeding stallion for both the FPS and the TGS. DNA has confirmed such.

Thank you for your assistance in this regard.
Yours Sincerely,

Dr. Wayne van Niekerk
Owner of Quantum Stud
