Hi Nicola

Thank you for your feedback.

FIRSTLY

How do I or the new owner go about getting these 2 lambs (TFH 250851 and TFH 250954) registered on Logix. Their Sire was not registered on Logix and I have just sold the lambs +- 2 weeks ago. Please can you assist here.

SECONDLY

TFH 240017

I have absolutely no idea how or why this Ewe was notified as sold (also by whom) but would highly appreciate it if she can be re-instated as she has been in my flock every since we bought her. She has only now, about a week ago, been sold.

THIRDLY

DATES OF BIRTH

Thank you for the amendments.

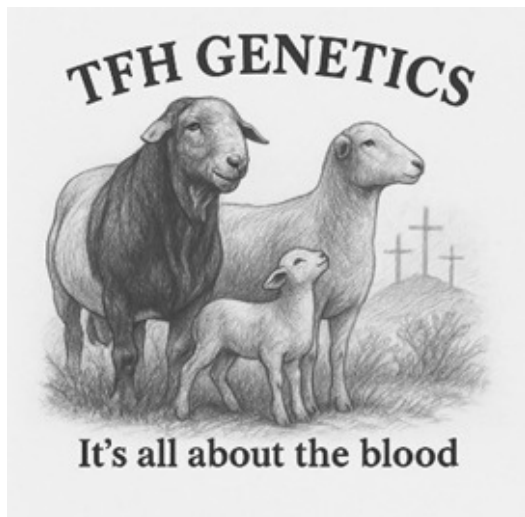

LASTLY

It appears I can only access my sheep on Logix via their computer number. Would there be a reason behind this or alternatively, who can I take the matter up with?

Trust you find the above in order and wait to hear from you shortly.

Kind regards
